

Self -Pay Policy

We strive to provide our patients with quality and easily accessible medical care. We do offer cash discount pricing for patients who do not have medical insurance. We are happy to provide this service to our patient family. However, due to the discount we provide **payment in full** is expected at the time services are rendered unless otherwise prearranged. If you have any questions please don't hesitate to ask. The front desk staff can give you an estimate of what your visit will cost. We accept major credit cards, cash, or checks. Thank you for your cooperation and coming to each appointment prepared to pay for the services our clinicians provide.
