

**Courthouse
Family Medicine**

On September 9th 2018 Virginia's Governor, Ralph Northam declared a state of emergency due to Hurricane Florence. Due to the impending weather and the potential for power outages and road closures we anticipate that our office will be unable to be reached for routine medical care, phone messages or patient portal messages.

If possible on Monday September 17th 2018 we will resume normal business at 8am if our office has power, phones and internet and the roads are passable.

If you are having a medical emergency, please dial 911 or go to the nearest emergency room.

If you need a medication refill, please contact your pharmacy directly. We will be unable to refill medications promptly during this time.

If you have an emergent call and you are trying to reach the on call provider, please dial (804) 832-8855. Please be advised that return calls may take longer than normal.
